Introduction

Samrat Plywood Limited

SAMRAT today stands proud as one of the leading plywood, mica and cladding companies in India having achieved 25 successful years of hard work and constant endeavor to set the highest quality benchmark. We take pride in the fact that SAMRAT is the most trusted brand in the industry and known for its commitment, best practices, finest materials and technological expertise delivering innovative products and a superior brand experience.

Samrat Exterior Cladding

Samrat Exterior Cladding High Pressure laminate (HPL) panels have a decorative surface that is suitable for exteriors. Special quality resins provide extremely effective weather protection to external facades. These HPL are produced in lamination presses under high pressure and temperature. They are resistant to colour fading and weather proof with special protection against inclement weather according to standard EN 438:2005 part 7

CE Certification

(EN 438 - 7)

Institute for Testing and Certification, Inc. (ITC), Zlín, Czech Republic

TYPE - CERTIFICATE

No. 16 0360 T/ITC

confirms that the product – construction product according to the Regulation (EU) No 305/2011, as amended (called "CPR")

Compact laminates for external use , 2 mm to 18 mm, type: EGS

introduced on the market by company and producer

Samrat Plywood Limited,

Head office: Plot No. 182/11, Industrial Area, Phase 1, Chandigarh – 160002, India

Factory: Village Bir Plassi, Nalagarh, Distt. Solan 174101, Himachal Pradesh, India

complies with the applicable requirements of the European harmonized technical standard:
Annex ZA (table ZA.1, ZA.3c) of EN 438-7

The ITC has conducted the assessment of the test results according to the requirements of relevant parts of the Annex ZA of above mentioned harmonized standard. As the meeting the requirements of the harmonized standards is a presumption of conformity with the requirements of the Regulation (EU) No. 305/2011 of the European Parliament and of the Council (CPR), the product conforms from viewpoint of above indicated characteristics to the requirements of the CPR laying down harmonized conditions for the marketing of construction products. The product description, documents, assessment procedures and test results are presented in the:

- Application for product certificate issue No. 313500736, registered on 4th June 2016
- Samrat Plywood Limited's declaration on F- reaction to fire class of the product, from 4th June, 2016
- Reports No. AAL BMT-20160602001 and No. AAL BMT-20160602002, issued by "ARIHANT ANAALYTICAL LABORATORY PVT. LTD (NABL Accredited Laboratory)". Sonapat, INDIA on 6th July 2016

which are enclosed to this Certificate.

This Certificate is issued under following conditions:

1. *it applies only to the above referenced model of the construction product.*
2. *it does not imply that the ITC has performed any surveillance or control of its manufacture.*
3. *The manufacturer is obligated to implement and maintain a Factory production control system assuring that all construction products of the respective models conform to the type approved by this Certificate.*
4. *After fulfilling of the EU legislation requirements and Declaration of Performance issuing, the Certificate holder shall affix to each product of the approved type the CE marking according to an example (the information as specified in Article 9 of CPR shall be appended to it).*

Issued in Zlín, on:
Valid until:

2016-07-12
2019-07-31
